12 Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103 For Multiple Completions: Attach wellbore diagram of proposed completion or recompilation.

Cored HQ (3.895") hole to 2,540' total depth on 23 August, 2002. Set cement plug in open hole from 2,540' to 195' and in HWT casing from 195' to 5' (bottom of cellar). Cemented hole with 155 sx/209 ft<sup>3</sup> Class A neat cement with good returns to surface on 24-26 August, 2002. Backfilled cellar and mud pits and mounded dirt on pits and installed abandonment monument on 27 August, 2002.

(Site reclamation is incomplete. We plan to allow a period of about one month for settling of the pits before performing final reclamation and leveling and reseeding of disturbed areas.)

I hereby certify that the information above is true and complete to the best of my knowledge and belief
