Dear Sir:

We need one additional copy of form C-128, Well Location and Acreage Dedication Plat, for the subject well.

Please refer to Rule 104 of the Rules and regulations. The location of subject well is not a "standard location". Production from a well in such location can not be approved by this office without an order of approval for the location.

If we can be of assistance, please contact us.

Yours very truly,

A. R. Kendrick
