Attention: Legal Department

Gentlemen:

The Oil Conservation Commission is attempting to identify the ownership of two wells in San Juan County which may belong to your corporation. They originally were drilled by Petroleum Products Refining and Producing Company, and we understand you have succeeded to some of their interests. The wells in question are the Santa Fe Pacific Wells Nos. 1 and 2 located in Units F and K, respectively, of Section 21, Township 21 North, Range 8 West. If you have succeeded to the ownership of these wells, we would appreciate hearing from you concerning this matter.

Very truly yours,

(Ms.) LYNN TESCHENDORF
General Counsel
