Administrative Order No. NSL-10

Gentlemen:

Reference is made to your application for approval of a non-standard location for your Chaco Unit Well No. 2, located 660 feet from the South line and 2130 feet from the East line of Section 16, Township 23 North, Range 8 West, San Juan County, New Mexico.

It is our understanding that the request for such exception is based upon the extreme topographic relief in the SE/4 of Section 16.

By the authority granted me under the provisions of Rule 104, (b) of the Statewide Rules and Regulations as revised by Order No. R-397, you are hereby granted an exception to the normal spacing requirements for your Chaco Unit Well No. 2.

Very truly yours,

**W. B. Macey
