Dear Mrs. Bergamo:

The hand-lettered numbers in red which we placed on your copies of form C-101 for the captioned wells is an identification number for use by the American Petroleum Institute.

The numbers for the captioned wells are in error.

The correct numbers are as follows:

Box Cars # 1	30-045-20775
Snake Eyes # 1	30-045-20774

You may wish to use these in your accounting.

Yours very truly,

A. R. Kendrick
