(NOTE: Report results of multiple completion on Well
Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Decided to abandon plan to drill well submitted 9-29-71 (dated 10-29-71 in error) and approved 10-5-71.

Only work done was to build location. Surface casing was not set. Location will be cleaned up at same time new E-1 well is unless we feel at that time that we will drill the location at a future date.

Please note corrected GR elevation as verbally reported to me 11-14-71 by Ernest Echohawk.

18. I hereby certify that the foregoing is true and correct

SIGNED

Harry R. Byrd
