Dear Mr. Seelinger:

In reference to our phone conversation on September 20, 1972 concerning the above captioned well, we hereby submit four (4) copies of Form 9-330, three (3) copies of the Drill Stem Test data, and two (2) copies of the Geologic Report.

I failed to question you as to whether or not we should submit this information directly to the New Mexico Oil Conservation Commission or whether the distribution would be made by your office. If we do not hear from you concerning this distribution to the Commission, I will assume that these forms have been supplied by your office.

Any additional information needed concerning the above captioned, please don't hesitate to call collect or write at any time.

Very truly yours,
