(Other) Extension to casing integrity test

17 DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details and give pertinent dates including estimated date of starting and proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

By letter 2/29/88, Graham Royalty, Ltd. requested and received a 90 day extension to the required casing integrity test for the Jeffers Federal 2-23. The initial attempt to sell the Jeffers Federal 2-23 did not finalize; however, Graham's land department is presently preparing a conveyance document to transfer title of referenced well to another individual. Based on the above, Graham Royalty, Ltd. respectfully requests a 30 day extension so the sale can be finalized.
