If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

In response to BLM letter dated December 26, 1985, the following work has been completed in order to bring Dugan Production's #1 Christmas Season well into compliance for final abandonment:

- 1.) The monument has been labeled with lease number.
- 2.) The northeast quarter of the pad has been reseeded with BLM Seed Mix #2.

This work has been completed and Dugan Production Corp. is notifying your office so that you can schedule an inspection.

It is our belief that the location is now ready for final abandonment.

18. I hereby certify that the foregoing is true and correct
