Unit M, Section 1, T23N, R11W
San Juan County, New Mexico
South Bisti Gallup Pool

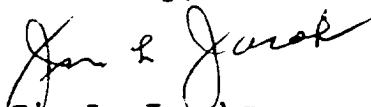

Dear Mr. Stogner:

Dugan Production Corp. hereby requests approval for an unorthodox location for the referenced well. Copies of the well location plat (NMCD Form C-102), topographic map (Exhibit E), and a production map showing offsetting operators (Exhibit F) are attached for your reference.

The unorthodox location is necessary due to the abundant cultural resources and topographic conditions that exist in this area.

Since Dugan Production Corp. operates all offsetting wells, no waivers of objection from offsetting operators are necessary.

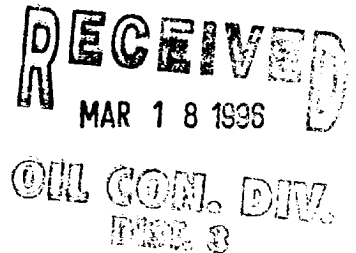

Sincerely,

Jim L. Jacobs
Vice-President

KF/cg
