Re: \$50,000 Blanket Plugging Bond
Petro Lewis Corp., Principal
Bond No. 05-96-94

Dear Ms. Healy:

I am in receipt of your letter of October 22nd regarding the cancellation of the above-referenced plugging bond. The documentation regarding the plugging of the Henry Schmitz No. 1 well was not enclosed in your letter. Also, I checked with our Aztec district office regarding releasing this bond and they advised me that they still had no report.

If you have any questions regarding what is needed to be able to cancel this bond, please contact the Aztec district office at (505) 334-6178.

Sincerely,

Diane Richardson
