Re: Jicarilla Contract 38

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated April 30, 1956 covering your well No. 2 Jicarilla Apache Tribe of Indians "H" in NW 1/4 sec. 32, T. 24 N., R. 5 W., N.M.P.M., Rio Arriba County, New Mexico, Otero Pic Cliffs ext.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of which will be sent to you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Furnish copies of all logs.

Very truly yours,

Jerry W. Long
Acting District Engineer

Title Division Chief Clerk

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the implementation of the proposed changes. It details the steps involved in the transition process, from the initial planning phase to the final execution. This section also addresses the potential challenges that may arise during the implementation and provides strategies to overcome them.

3. The third part of the document discusses the impact of the proposed changes on the organization's overall performance. It highlights the expected benefits, such as increased efficiency and cost savings, and provides a detailed analysis of the potential risks. This section also includes a comparison of the current state of the organization with the proposed changes, illustrating the expected improvements.

4. The fourth part of the document provides a summary of the key findings and conclusions. It reiterates the importance of the proposed changes and the need for continued monitoring and evaluation. This section also includes a list of recommendations for future actions, ensuring that the organization remains committed to the principles of transparency and accountability.

5. The fifth part of the document is a conclusion, summarizing the main points of the document and expressing the author's confidence in the proposed changes. It also includes a statement of the author's commitment to the organization's success and a final note of appreciation for the support and cooperation of all stakeholders.
