April 20, 1961

Val R. Reese & Associates, Inc.  
Consulting Geologists  
Simms Building  
Albuquerque, New Mexico

Attention: Mr. Morris B. Jones

Administrative Order NSL-248

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your #2-25 Mesa Well to be located 1850 feet from the South line and 390 feet from the East line of Section 25, Township 24 North, Range 7 West, Escrito-Gallup Oil Pool, Rio Arriba County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the southeast quarter of said section.

Inasmuch as you are the offset operator of all surrounding acreage, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 4 (b) of the Special Rules and Regulations of the Escrito-Gallup Oil Pool, as set forth in Order R-1793-A, you are hereby granted an exception to Rule 4 (a) of said order for the above described unorthodox well location.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director
