NM Lease 019399

Dear Mr. Sims:

This refers to your letters dated August 17, 1982, and November 30, 1981, concerning the above referenced subject.

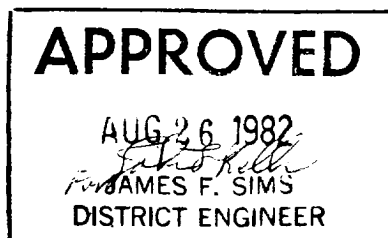

We regret that we failed to respond to your request concerning our intentions on this well and we are including a draft in the amount of \$10.00 to cover the assessed liquidated damages.

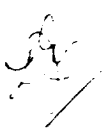

We were able to return the subject well to producing status in January, 1977, and therefore the well was not plugged. We request that our intent to abandonment be cancelled and we will notify you of any future change in the status of this well.

Very truly yours,

  
F. H. Wood, Manager  
Production and Drilling
