K-29-24N-1W Harrington Fed # 6

Dear Mr Simmons,

The above mentioned wells failed the MIT's ran June 15 & 16, 1995. According to rule 203 B paragraph 3, all wells failing the mechanical integrity test shall be plugged & abandoned in accordance with these rules or the casing problem corrected & retested within 90 days. You are hereby directed to bring the wells in compliance prior to Oct. 10, 1995.

Also our records show that the Abraham Fed # 8 in J-20-24N-1W has not been tested. You are hereby directed to run a MIT prior to August 11, 1995.

Sincerely,  
  
Johnny Robinson  
Deputy Oil & Gas Inspector
