Dear Angie:

D-30-246-52

In regards to the Jicarilla Contract # B-7, we believe that particular well has a casing leak. As stated in our letter dated February 2, 2000, Elm Ridge Resources, Inc. will be moving a rig into that area in June and we will test and repair the B-7 at that time.

If you need further assistance from us, please contact us.

Sincerely,

Trudy Grubelnik
