Re: AXI Apache D #2
N-19-24N-4W

Dear Mr. Anderson,

The attached bradenhead test report for the subject well indicates communication between the casing and the annulus.

You are hereby directed to take immediate action to cause the well to comply with Rule 108 and proceed with diligence to use the appropriate method and eliminate such hazard of underground waste.

If there are questions, please contact us.

Yours very truly,

N. E. Maxwell, Jr.
Engineer, District #3
