Gentlemen:

Since Mr. Hunt has been out of the city for several months I was going through some of his papers and found a letter addressed to our office under date of September 24, 1963, but found no response to same. I am, therefore, enclosing herewith your form C-110 which sets forth the name of the gas transporter, being El Paso Natural Gas Company, as per your request.

In response to paragraph No. 2 of your letter, please be advised that we encountered landowner problems which resulted in the delay between the well connection and date of first delivery.

Very truly yours,

SHAR-ALAN OIL COMPANY
