Gentlemen:

I enclose herewith form C-110 which sets forth that Shar-Alan Oil Company shall be the Operator of the above captioned well. I am filing, this date, with the U. S. G. S. a Supplementary Well History which will show that 1" tubing has been run in this well.

Should this fulfill the requirements, would you please advise El Paso Natural Gas Company so that we may put this well back on production.

Very truly yours,

SHAR-ALAN OIL COMPANY
