Re: Wernitz #2, D-21-24N-1W

Dear Mr. Ritter:

Rule 107 (d) 2 requires "all gas wells equipped with casing larger in size than 2-7/8-inch OD shall be tubed".

Rule 107 (d) 4 provides for administrative exception to the above mentioned rule.

Do not produce subject well until you have complied with Rule 107 (d).

@-110 for change of ownership has not been received in this office for subject well.

Yours very truly
