Gentlemen:

We have received from the United States Geological Survey in Farmington copies of their Form 9-331a which you filed indicating change of operator on a well in the NW $\frac{1}{4}$ SE $\frac{1}{4}$  Section 24-24N-7W, Rio Arriba County, New Mexico.

Inasmuch as our records show this to be a completed well $\frac{1}{2}$  it will be necessary that you file Form C-110 in quadruplicate with this office before we will be able to effect the change in our files. We are enclosing herewith a supply of this form.

Yours very truly
