Gentlemen:

The Commission's records indicate that oil or gas well liquid production was reported and no gas production was reported for certain months. The Commission rules require that all gas be reported regardless of the disposition of the gas. We are, therefore, requesting that you file amended C-115's for the months which reported no gas for the following listed wells:

<u>Wells</u>	<u>Months to be reported</u>
<u>Love Fed # 2-23 L-23-24-7</u>	April, 1961

Your prompt attention to this matter will be appreciated.

Very truly yours,

E. A. UTZ
Gas Engineer
