Dear Ms. Teschendorf:

A demand was made on August 30, 1976, for the operator to repair a casing leak or to plug and abandon the captioned well.

During the remedial action further problems developed.

The well was plugged and abandoned on September 25, 1976.

A show cause case will not be required.

If there are questions, please call.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
