Dear Sir:

I am sorry to have been so long in answering your letter. We have considered the problem from all angles and believe that we should avoid intervention between operators and service companies.

I would suggest that an insurance adjusting agency or a petroleum consultant could handle the problem very well. If you prefer to use a petroleum consultant I might recommend the following ethical and experienced men:

Mr. T.A. Dugan  
1007 North Dustin  
Farmington, N.M.  
DA5-9184

Mr. A. J. Dudenhofer  
2104 Cochiti  
Farmington, N.M.  
DA5-9844

If we can be of further assistance, please contact us.

Yours very truly
