Dear Mr. Furse:

*We are returning herewith two copies of Federal Notice
of Intention to Drill pertaining to your #9 Jicarilla
Apache B well, located in the NE₁NE₁ Section 20-24N-5W.*

*This well is located within one mile of the South Blanco
Pictured Cliffs Pool boundaries. It will, therefore,
be necessary that cement be staged across the Pictured Cliffs
Formation. Will you please amend your notices of intention
to drill to indicate that this will be done and return
them to this office.*

Yours very truly
