*Dear Sir:*

*In checking our records we find that one of your wells in the Otero Pictured Cliffs Pool is delinquent for annual deliverability test or initial deliverability test.*

*Your #1-14 Jicarilla well in Section 14-24N-5W was connected to a pipeline April 23, 1957. By the provisions of Order R-333-C, D and E a deliverability test should have been filed with this office by June 7, 1957. If this test is not received in this office within 30 days this well will be shut in by this office.*

*Yours very truly*
