

CONTINENTAL OIL COMPANY

P. O. Box 3312
Durango, Colorado
September 30, 1963

New Mexico Oil Conservation Commission
P. O. Box 697
Aztec, New Mexico

Attention: Mr. Emery C. Arnold

Gentlemen:

Thank you very much for pointing out the error in our schematic diagram for the Dual Completion of N. E. Haynes No. 8. The calculated cement top should be 5500 feet instead of the 6500 feet as shown. Sufficient cement was used to insure fillup above the Gallup.

Very truly yours,

H. D. Haley
District Superintendent
Durango District
Production Department
