DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

To supplement report of November 7, 1962, please be informed that weather conditions have prevented our company from doing any additional remedial work on said well. It is our intention, subject to weather, to do additional work on this well in an attempt to complete same as a Pictured Cliffs producer.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
