Re: Forms C-110, Change of Operator

Dear Mr. Bigbee:

Our records do not indicate that we have received subject form for the State #2-16 in Unit L, Section 16-24N-7W, Escrito-Gallup Oil Pool.

Please re-submit Forms C-110 to show change of operator so that we may correct our records and those of the transporter of the products.

Thanks very much for directing our attention to the errors.

Yours very truly
