Re: Canyon Largo Unit # 132

Proposed Cementing Program

Gentlemen:

Reference is made to my Federal Form 9-338C, Application for Permit
To Drill, on the subject well.

Please accept this letter as amending that Application to the
extent that my 4 1/2" production casing will be two-stage cemented
with a stage collar set immediately below the Pictured Cliffs
Formation and the Pictured Cliffs covered with cement.

Yours very truly,

J. Gregory Merrion
