13. Describe Proposed or completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*		

The BLM approved P&A procedures for this wellbore on May 31, 1996. Due to AFE preparation and approval time, we missed the window of rig availability and we were unable to complete the plugging operation within one year of approval. We propose to complete the plugging operation no later than August 1, 1997
