Dear Sir:

Returned herewith are forms C-128 showing 160-acre dedication for the Gallup formation for subject well. Since this well is within one mile of the boundary of the Otero-Gallup Oil Pool, the proper acreage dedication for the Gallup zone is 40 acres.

Order R-1237 contains other pool rules for the Otero-Gallup Oil Pool as follows:

Limiting Gas-Oil Ratio -- 6000:1

No gas to be vented or flared.

If we can be of assistance, please contact us.

Yours very truly

A. R. Kendrick
Engineer, District #3
