CHAPTER I

THE CITY OF BOSTON, situated on the neck of land between the harbor and the bay, is bounded on the north by the city of Cambridge, on the east by the city of Roxbury, on the south by the city of Dorchester, and on the west by the city of Chelsea. The city is divided into five wards, and is governed by a mayor and a city council.

The city of Boston is one of the most important cities in the United States, and is the center of commerce and industry in the New England region. It is home to many of the largest corporations in the country, and is a major port for international trade.

The city of Boston has a rich history, and has played a major role in the development of the United States. It was the site of the Boston Tea Party, the Boston Massacre, and the Battle of Boston. It was also the home of many of the founding fathers of the country, including John Adams, John Hancock, and Samuel Adams.
