Re: Greenbrier Oil Company
Palmer No. 1 Well, Rio
Arriba County, New Mexico
NE/4 SW/4 SE/4 Sec. 1, Twp.
24 North, Range 2 West

Dear Sir:

Reference is made to your letter of September 29th pertaining to the above-captioned well. In order for this Commission to approve the transfer of the above-captioned well from Greenbrier Oil Company to R. J. Palmer, it will be necessary for Mr. Palmer to execute Commission Form C-103 showing thereon the transfer of ownership. Before the Commission can approve this transfer it will be necessary for Mr. Palmer to obtain a \$5,000.00 one-well bond in accordance with Commission Rule 101.

I am instructing our Astec Office to cancel the previous form which granted permission to Greenbrier Oil Company to plug and abandon the well. When Mr. Palmer has executed the proper forms, we will release Greenbrier Oil Company from the plugging bond insofar as this well is concerned.

Very truly yours,

W. B. Macey
