Mr. A. L. Porter  
New Mexico Conservation Commission  
P. O. Box 871  
Santa Fe, New Mexico

Dear Sir:

Confirming Mr. J. A. Prather's conversation with your department yesterday, we respectfully request that you grant us permission to drill our Fred Phillips-Government No. 1 - Section 32, Township 25 N., Range 3 W., located 1391.1 feet from West Line and 1249.8 feet from South Line in Rio Arriba County, being a Pictured Cliffs ss test in South Blanco-Pictured Cliffs Gas Pool - dedicated acreage 160 acres.

We are requesting this particular location due to the rough topography of this area.

Yours very truly,

SUN OIL COMPANY

Aztec, New Mexico

1. The first step is to identify the problem. This involves understanding the current situation and the goals that need to be achieved.

[illegible][illegible]

the 1990s, the number of people in the world who are illiterate has increased from 1.2 billion to 1.5 billion. The number of illiterate people in the world is projected to increase to 1.7 billion by the year 2015. The number of illiterate people in the world is projected to increase to 1.7 billion by the year 2015.
