El Paso, Texas

Dear Sir:

A recent check of our records indicates that our files are incomplete on your #1 McMillan-Hall well in Section 33-25N-3W. Notice of Intention to Drill was filed March 14, 1957 on this well and subsequent reports were filed indicating you had run casing.

Will you please file a copy of the Federal Well Record with this office so that we may complete our records.

Yours very truly

Emery C. Arnold
