Attn: Mr. Tom B. Grant

Gentlemen:

You are hereby granted authority to produce El Paso Natural Gas Company's #4-B Jicarilla well between the dates of October 24 and November 15, 1958 in order to secure a State Deliverability Test.

Upon completion of the test the well should remain shut in until released by the Commission.

Yours very truly

Mr. John H. Hargis, General Manager
The Hargis Company
P.O. Box 1000
Albuquerque, New Mexico

Dear Mr. Hargis:

Reference

has been made to the records of the New Mexico Oil Conservation Commission and it is noted that the Hargis Company's well, located in the State of New Mexico, was drilled in 1958 in order to secure a lease on the land.

The completion of the well has resulted in the production of oil and gas, which is being sold to the Hargis Company.

Sincerely,
John Hargis

Very truly yours,
John Hargis
