*Gentlemen:*

*Notice of Intention to Drill was filed for the above well April 26, 1962. Subsequent reports indicated that surface casing and production casing was run and cemented to the Pictured Cliffs Formation. Well Record, Form C-105, was never filed indicating whether or not the well was successfully completed.*

*Will you please advise of the present status of this well and file 5 copies of Form C-105 indicating completion results.*

*Yours very truly*
