Re: Application for Permit to Drill  
Canyon Largo Unit #261  
SW/4 Section 21, T-24-N, R-6-W  
Ballard Pictured Cliffs

Dear Mr. Long:

Details regarding existing roads, pipelines, wells, etc. relative to the above well location are included on the previously submitted base maps, "Field Road Map" and "Composite Map No. 1".

The proposed new well location, new roads and new pipeline are shown on the attached plat along with connecting existing roads and pipelines in the vicinity of the proposed new well.

Water for drilling and completion operations will be obtained from the following location: BLM Canyon Largo Water Hole, SWSE 11-24-6

Waste material will be disposed of by burial in the burn pit, latrine, or reserve pit as applicable. There will be no camp nor air strip associated with drilling this well. Upon completion or abandonment of this well, the location will be cleaned and leveled and a dry hole marker placed, as applicable.

Yours very truly,

*D. G. Brisco*

D. G. Brisco  
Drilling Clerk
