Gentlemen:

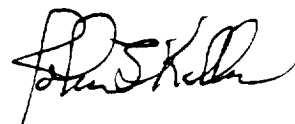

Returned with no action taken are your Sundry Notice Requests to plug and abandon Well No. 12 Jicarilla C, SWSE Sec. 16, T. 25 N., R. 4 W., Jicarilla Contract No. 65 for conditioning as a water well.

The Bureau of Land Management has requested that the Jicarilla Apache Tribe sign a standard water well release form that relieves Meridian of any further liability for this well after the proposed abandonment procedures are completed. Since the Tribe is not certain that the well will become a water source well, they do not wish to sign such a release.

In view of the circumstances, the well should be plugged and abandoned in accordance with the procedure approved April 2, 1990.

A copy of this letter is being sent to the BIA and the Jicarilla Tribal Water Development Committee for their information.

Sincerely,

John Phillips
Acting Area Manager
