Dear Mr. Crews:

The Chacon- Dakota Pool now is classified as an associated pool. The Pool Rules are in Order R-5353.

Rule 104 M of the General Rules and Regulations explains how the four lots in the west half of section 31 may be consolidated with the north-east quarter and the southeast quarter or east half depending on your well classification.

The lease numbers shown on your Intent to Drill and Plat do not agree, so, we dropped them in our records. If you show them in parentheses we will omit them in our records.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
