FARMINGTON RESOURCE AREA

Gentlemen:

Subject: Mesa Operating Limited Partnership
Otero Federal # 5
NW/4 Sec. 23, T24N, R6W
Rio Arriba, New Mexico
Lease No. NM011583

Per your letter dated November 7, 1986, please find enclosed copies of Sundry and Completion Report for subject well. The well has been SI since completion of the plug back to the Pictured Cliffs formation in 1985.

~~Request is hereby made for long term SI of subject well pending changes in market conditions and or results of an ongoing study into other potential producing zones.~~ Plus Tax

Sincerely,

R. E. Mathis
