

SURFACE REHABILITATION AGREEMENT

THIS AGREEMENT as of 10/16, 1978,  
by and between Charles Myers, hereinafter  
called "Surface Owner", and Schalk Development Company,  
hereinafter called "Operator".

WITNESSETH:

WHEREAS, Operator desires to construct a location  
for the drilling of a natural gas well and/or oil well on  
surface land owned by Surface Owner.

NOW, THEREFORE, in consideration of the premises,  
Surface Owner and Operator agree as follows:

- 1) Operator will construct or cause to  
be constructed an access road to the  
proposed location from the nearest  
existing road as the terrain will  
allow. The road will be permanently  
maintained to allow access to the  
location throughout the drilling  
operation and while the well is in  
a producing state.
- 2) Upon completion of drilling operations,  
Operator will restore the disturbed  
surface area as near as practical to  
its original condition, except for  
permanent facilities necessary to  
producing a natural gas or oil well.  
Restoration will follow the guide-  
lines as set forth by the U. S.  
Geological Survey.

IN WITNESS WHEREOF, the parties hereto have caused  
this agreement to be duly executed on the day and year first  
above written.
