Re: Schalk 43 #2
A-34-25N-3W

Dear John:

The completion reports in the above well are unclear to us as to whether the Mesaverde zone is still TA'd under the bridge plugs. If this is so, could you send a sundry notice through the U. S. G. S. clearing this up and requesting approval of temporary abandonment status.

If you have any questions, please call.

Yours truly,

A handwritten signature in cursive script, appearing to read "Frank T. Chavez".

Frank T. Chavez
