TITLE _____

This form is to be filed in compliance with RULE 1104.

If this is a request for allowable for a newly drilled or completed well, this form must be accompanied by a description of the available tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely in all cases on new and recompleting wells.

Fill out only Sections I, II, III, and VI for change of name, well name or number, or transporter, or other such change of condition.

Separate Form O-104 must be filed for each pool in existing completed wells.
