Dear Mr. Fellows:

In reference to your letter dated November 3, 1988 regarding the well No. 3 Mesa A, located SW/4 SW/4 Section 25, T24N, R7W, Rio Arriba County, New Mexico, lease SF-078532, we appreciate your consideration in granting the subject extension.

We have conducted an evaluation of the well and determine it to be an attractive rework candidate. Our plans would be to clean out the hole, squeeze cement, reperforate, and restimulate the well.

We request an extension to July 1, 1989 by which time we will have forwarded you our detailed procedure and necessary permit applications. Further if we are unsuccessful in our rework efforts, we do plan to plug and abandon the well and drill a replacement well.

Very truly yours,

Robert D. Johnson
