(other) Flare Gas For Special Flow Test of the Well.

(NOTE: Report results of multiple completion or zone change on Form 9-330.)

JUN 21 1982

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Verbal approval was received by Richard Volz from H. P. Walter to flare gas from the Gallup formation in Jicarilla Apache Tribal 124 No. 9 until 10:00 A.M. on June 21. Our original application to flare gas stated that we would be finished by June 18. However, due to rig scheduling we were unable to begin testing the Gallup until June 13. Our original sundry requesting permission to flare gas was sent to your office on May 27.
