Dear Mr. LeMay:

Union Texas Petroleum requests Administrative Approval for an Unorthodox Location for an Otero Gallup recompletion. This well is currently completed in the Otero Chacra and Basin Dakota pools. We intend to abandon the Chacra, open up the Gallup, and commingle the Gallup and Dakota, pursuant to Order R-8109-A dated January 6, 1986. A sundry notice has been filed outlining the aforementioned procedure.

The only offset operator adjacent to the Otero Gallup "proration" unit is Texaco, Inc. and they were notified by a letter of this date of our intentions.

If I may be of any further assistance, please advise.

Very truly yours,

Robert C. Frank
Permit Coordinator
