RE: Filing Exception to Rule 104F
Supron Energy Corporation
Jicarilla F#1-A
SE NW Sec 27 T26N R4W
1650' FNL & 1520' FWL
Rio Arriba County, New Mexico

Dear Mr. Ramey:

Supron Energy Corporation requests an exception to Rule 104F for the above-captioned well location. Enclosed is a location and elevation plat and a topographic map.

Supron Energy Corporation has the operating rights to the Wildhorse-Dakota formation on all offset acreage within a 1¼ mile radius of the above-referenced location, therefore there are no offset operators to be notified of this request.

This request is made to secure permission to drill the proposed well on the location as staked, which is not in compliance with the 330 foot tolerance required for oil wells.

Should you require any additional information in order to approve this application for exception to Rule 104F, please call.

Thank you.

Sincerely,
