13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This is in response to your letter Amoco received July 7, 1998 wherein you acquired about our plans for the above well which has been shut-in since 1990. Please be advised that at this time Amoco has no immediate plans to plug this well and asks that you allow this well to remain shut-in until we have evaluated it to determine if whether it should be returned to production or plugged.

If you have any questions please don't hesitate to contact me at (303) 830-6157.
